

First rule of garage organization: get it off the floor.

Second rule of garage organization: hang it on the wall. From pruners and pots to shovels and tools, organized homeowners will find exactly what they need for the task at hand.

Racks, hooks and baskets are easy to move and adjust to your changing needs. With its patent-pending design, accessories snap and lock into place to securely hold tool, bikes, ladders and more.

When it's time to reorganize, it's a snap to accommodate a slight (or major) change of mind.

hooks

mini hook
a million and one uses... this versatile hook is ideal for hand tools, coats, paint brushes, keys, dog leashes and more

big hook
a strong, flat bottom makes this hook great for storing ladders, push brooms, folding chairs, etc.

4" double hook
secures items close to the wall, good for tight areas and single items

hoop hook
holds single, large items including garden hoses, step ladders, ropes, spare tires and extension cords

8" double hook
works for large rakes, shovels, and other tall, thin items

bike hook
stores adult and children's bikes in place—opening up precious floor space

racks

towel and tape rack
holds rolls of paper towel, tape and twine in place for easy access

hand tool rack
organizes commonly used items including wrenches, screwdrivers, pliers, scissors, clippers, etc.

spray can rack
perfect for spray cans, cleaners, bug spray, flashlights and gardening supplies

baskets

small basket
ideal for gloves, cleaners, sun lotion, bug spray and water bottles—the tight weave keeps small items from falling through

medium basket
this basket is just right for holding sports gear, bags, toys, gloves, hats, skates, and more

large basket
storing larger items is a cinch—footballs, basketballs, protective sporting wear, recyclable bottles, and cleaning supplies

ORG accessories feature a durable powder coated finish to withstand many years of active use. Baskets are constructed with formed wire for added strength—load them up with wet sponges and rags—the open weave design allows plenty of airflow for quick drying.

ORG offers a complete line of home organization solutions for closets, pantries, basements, laundry rooms, garages, home offices and more. Fully trained and authorized ORG dealers provide design services, organization advice and professional installation. Visit www.homeorg.com for more information.
